

## PowerPoints

PowerPoint presentations highlight groups of photos without additional interpretation or added text. Various students and staff have authored these thematic PowerPoints.

- Historic Flood Images
  - This set of images is a PowerPoint slideshow including dramatic flood photos with little text.
- Mining Images
  - This set of images is a PowerPoint slideshow showing mining photos with little text.
- Tree History Part 1
  - This set of images is an annotated PowerPoint slideshow highlighting images of trees and their uses in Vermont.
- Tree History Part 2
  - This set of images is an annotated PowerPoint slideshow telling place stories with tree histories.
